

Application for Automatic Extension of Time To File U.S. Individual Income Tax Return

2007

IRS e-file It's Convenient Safe, and Secure

IRS e-file is the IRS's electronic filing program. You can get an automatic extension of time to file your tax return by filing Form 4868 electronically. You will receive an electronic acknowledgment once you complete the transaction. Keep it with your records. Do not send in Form 4868 if you file electronically.

Complete Form 4868 to use as a worksheet. If you think you may owe tax when you file your return, you will need to estimate your total tax liability and subtract how much you have already paid (lines 4, 5, and 6 below).

You can e-file Form 4868 from a home computer or through a tax professional who uses e-file. Several companies offer free e-filing of Form 4868 through the Free File program. For more details, go to www.irs.gov and enter "Free File" in the search box at the top of the page.

If you think you may owe tax and wish to make a payment, you can pay by electronic funds withdrawal using option 1 or you can pay by credit card using option 2. See 1 and 2 on this page for details.

1 E-file Using Your Personal Computer or Through a Tax Professional

Refer to your tax software package or tax preparer for ways to file electronically. Be sure to have a copy of your 2006 tax return--you will be asked to provide information from the return for taxpayer verification. If you wish to make a payment, you can pay by electronic funds withdrawal (see page 4) or send your payment to the address shown in the middle column under *Where To File a Paper Form 4868* on page 4.

2 E-file and Pay by Credit Card

You can get an extension if you pay part or all of your estimate of income tax due by using a credit card (American Express® Card, Discover® Card, MasterCard® card, or Visa® card). Your payment must be at least \$1. You may pay by phone or over the Internet through one of the service providers listed below.

Each service provider will charge a convenience fee based on the amount of the tax payment you are making. Fees may vary between service providers. You will be told what the fee is during the transaction and will have the option to continue or cancel the transaction. You can also obtain the convenience fee by calling the providers' toll-free automated customer service numbers or visiting their websites. Do not add the convenience fee to your tax payment.
