Purpose of Form

Use Form 9465 to request a monthly installment plan if you cannot pay the full amount you owe shown on your tax return (or on a notice we sent you). Generally, you can have up to 60 months to pay. In certain circumstances, you can have longer to pay or your agreement can be approved for an amount that is less than the amount of tax you owe. However, before requesting an installment agreement, you should consider other less costly alternatives, such as getting a bank loan or using available credit on a credit card. If you have any questions about this request, call 1-800-829-1040.

Do not use Form 9465 if you wish to request a different payment option such as an online payment agreement or a payroll

deduction installment agreement. See *Alternative Payment Options* on page 2 of this form.

Guaranteed installment agreement. Your request for an installment agreement cannot be turned down if the tax you owe is not more than \$10,000 and all three of the following apply.

- During the past 5 tax years, you (and your spouse if filing a joint return) have timely filed all income tax returns and paid any income tax due, and have not entered into an installment agreement for payment of income tax.
- The IRS determines that you cannot pay the tax owed in full when it is due and you give the IRS any information needed to make that determination.
- You agree to pay the full amount you owe within 3 years and to comply with the tax laws while the agreement is in effect.
